

.NET SOFTWARE DEVELOPER

(C#/.NET)

RIF.: IT-033

DESCRIPTION

Our Client is an innovation and quality private company, leader operating in the international market of microelectronic components with offices around the globe, including the Americas, Europe and Asia. For its Research & Development department based in Lugano Nord, Switzerland, we are searching the following (new) position: .NET Senior Software Developer (M/F)

QUALIFICATIONS – EXPERIENCE - SKILLS

- BSc or MSc in Computer Engineering, Computer Science, or equivalent
- Minimum of 5 years of software development experience on similar position
- Experience building complex software systems, in cloud-based environments
- Advanced knowledge of C#/.NET
- Proven Experience of Microsoft SQL Server or a variant
- Demonstrated experience with Microservices
- Experience building REST web services
- SQL & data modelling experience, including experience working with ORM tools/frameworks such as Entity Framework or similar
- Knowledge in the best practices of Angular / single page architecture design is considered a plus
- Experience with Git or other distributed source control system
- AWS experience is considered an advantage
- All aspects of the Agile software development lifecycle
- Experience with JIRA or similar platform
- Knowledge of JAVA backend development is considered an advantage
- Fluent in English

MAIN TASKS & RESPONSIBILITIES

Within the Software Department, the .NET Senior Developer will be responsible for the design, implementation and life-cycle-management of Company' cloud applications and related software projects. She/He's Responsible for the following tasks:

- Develop and improve new and existing end user applications written in C#/.Net
- Maintain the cloud applications and resolve the technical and application problems
- Ensure quality and completeness of the product through unit testing, documentation and maintenance as appropriate
- Makes recommendations to improve operating efficiency and functionality of assigned development projects
